

PRODUCT INFORMATION SHEET

Snap off knife

Product description

General use snap off knife with a 18 mm blade, handy with any finishing works. Designed specially for cutting cardboard, wallpaper, carpets, tarpaulin fabrics, printing films, and PVC films, etc. Its special guide design is ended with a tip that can be used e.g. for opening paint cans or as a flat screwdriver.

Characteristics

- the highest quality blade with extended service life, and increased resistance to cracking and chipping, made of high carbon spring steel SK2H;
- the automatic retraction of the blade increases the pace and comfort of work, and at the same time increases the safety of use;
- special black anti-rust coating protects against corrosion;
- triple laser-sharpened cutting edge ensures sharpness at the highest level;
- special design of the guide mechanism secured against pulling out the blade with a force of up to 20 kg;
- automatic lock preventing the blade from self-retracting or extending during use;
- metal blade guide with a specially profiled end that can be used as a flat screwdriver or a paint can opener;
- ergonomic housing made of ABS plastic.
